

Declaration of performance according to Regulation (EU)
305/2011 – No. 0001

1. Unique identification code of the product-type:

Aluminum and steel components for the assembly of solar panels

** S:FLEX mounting system for pitched roofs*

** S:FLEX mounting system for flat roofs*

2. Type, batch or serial number or any other element allowing identification of the construction product

Items no. 30-xxx-xxx

Items no. 700-xxx-xxx

Items no. 710-xxx-xxx

Items no. 720-xxx-xxx

3. Intended use or uses of the construction product:

Load bearing system for the assembly of solar panels

4. Manufacturer (Artikel 11, Abs. 5):

S:FLEX GmbH

Reinbeker Weg 9

D-21029 Hamburg (Germany)

5. Name and contact address of the authorised representative (Artikel 12, Abs. 2):

not applicable

6. System or systems of assessment and verification of constancy of performance of the construction product: 2+

7. Harmonised Standard:

EN 1090-1+A1:2011

Notified body:

TÜV Rheinland LGA Bautechnik GmbH / Nr. 0780

8. European Technical Assessment::

Technical Assessment Body:

DIBt Deutsches Institut für Bautechnik

Reference No. of the European Technical Assessment

ETA-11/0106 from 20-06-2016

Declaration of performance according to Regulation (EU)
305/2011 – No. 0001

9. Declared performance:

Essential characteristics	Performance / Harmonised technical specification
Geometric tolerance	EN 1090-2, EN 1090-3
Weldability	No performance determined
Fracture toughness	EN 1090-2, EN 1090-3;
Fire behaviour	No performance determined
Cadmium release	No performance determined
Radioactive release	No performance determined
Durability	No performance determined
Bearing capacity	Design referring to EC3, EC 9 and national annexes Design referring to EN 1933, EN 1999
Marginal distortion	Design referring to EN 1933, EN 1999;
Construction	Engineering drawing and EN 1090-2, EN 1090-3; Performance Standard EXC2

10. The performance of the product identified in points 1 and 2 is in conformity with the declared performance in point 9. This declaration of performance is issued under the sole responsibility of the manufacturer identified in point 4.
